THE VICTORIES OF BILLY CASPER

"The Fabulous Fourth"

About the product:

Billy Casper was a major force on the PGA Tour from the late 1950's through the 1970's. He officially won 51 tournaments including three major championships. His record of victories places him sixth best all-time. And his record in the Ryder Cup still today remains the best of the Americans. Mr. Casper has been labeled as the "forgotten fourth," referencing the Big Three: Jack Nicklaus, Arnold Palmer and Gary Player. His outstanding record is commemorated on our product and his achievements are summarized in this booklet.

Dimensions: 29.5" x 36"

The product is a shield with a unique collection of balls from the venues of those victories and each is autographed by Mr. Casper, 62 in all. Only 150 limited edition sets are available worldwide and will be valued as a most desirable piece of golf history.

Each ball is mounted in the artistically designed shield so the autograph and logo are clearly visible. These are not reproduced signatures. Each shield bears a visible hologram provided by Mr. Casper as proof of authenticity.

A "Certificate of Authenticity" has also been completed by former PGA Tour star Butch Baird, co-founder of BBJM Golf. It is included with the shield.

The shield comes in a handsome display case lined in a rich velvet. The shield may be wall-mounted or displayed in the case.
